Sage 100

Sage 100 ERP (formerly Sage ERP MAS 90, 200, and 200 SQL) is business management software that offers a broad range of modules designed to meet the many needs of virtually any business. There are currently two license types of Sage 100.

The license types are:

1. Sage 100
 1. On Premise (can be 3rd party hosted)
 2. Perpetual License (You can use it as long as you can make it work)
 3. This version has limited features compared to Sage 100Cloud
2. Sage 100Cloud
 1. On Premise (can be 3rd party hosted)
 2. Subscription License (You must continue to pay to use it)
 3. This version has all the options available that have been released

Both license types can be enhanced. Therefore all enhancements noted on this site are available for either license type.
